EH?!
BUT YOU CAME ALL THE WAY TO CHEER HER ON!
Why?!
YOU KNOW...
KASE-SAN SEEMED OCCUPIED, SO...
YEAH...
'CAUSE SHE WAS HAVING FUN WITH THE OTHER TRACK AND FIELD MEMBERS AND THE RUNNERS FROM THE OTHER SCHOOLS.
I'D JUST BE IN THE WAY IF I JOINED IN...

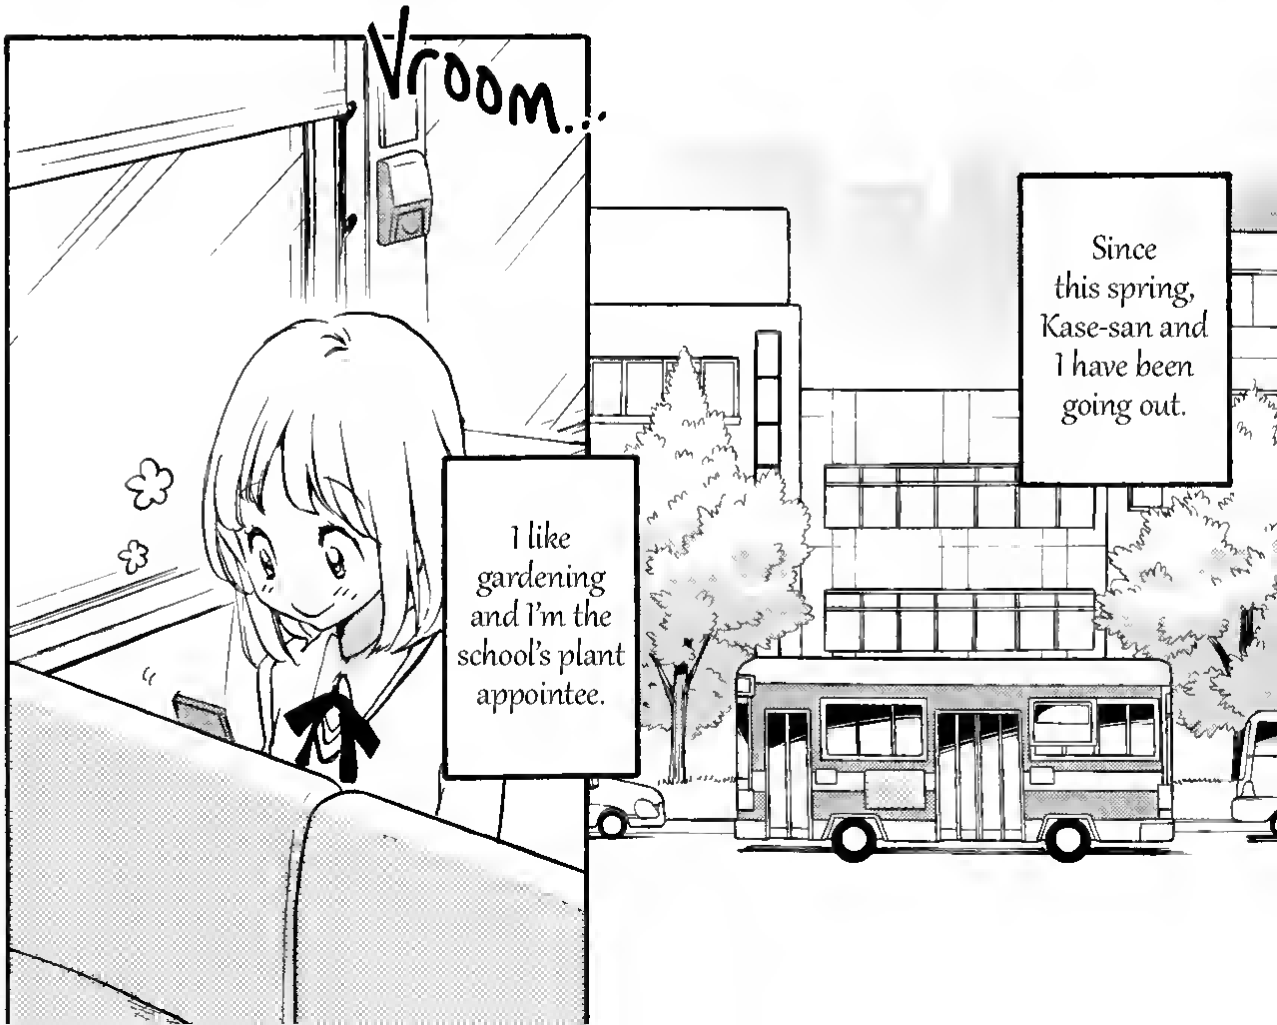
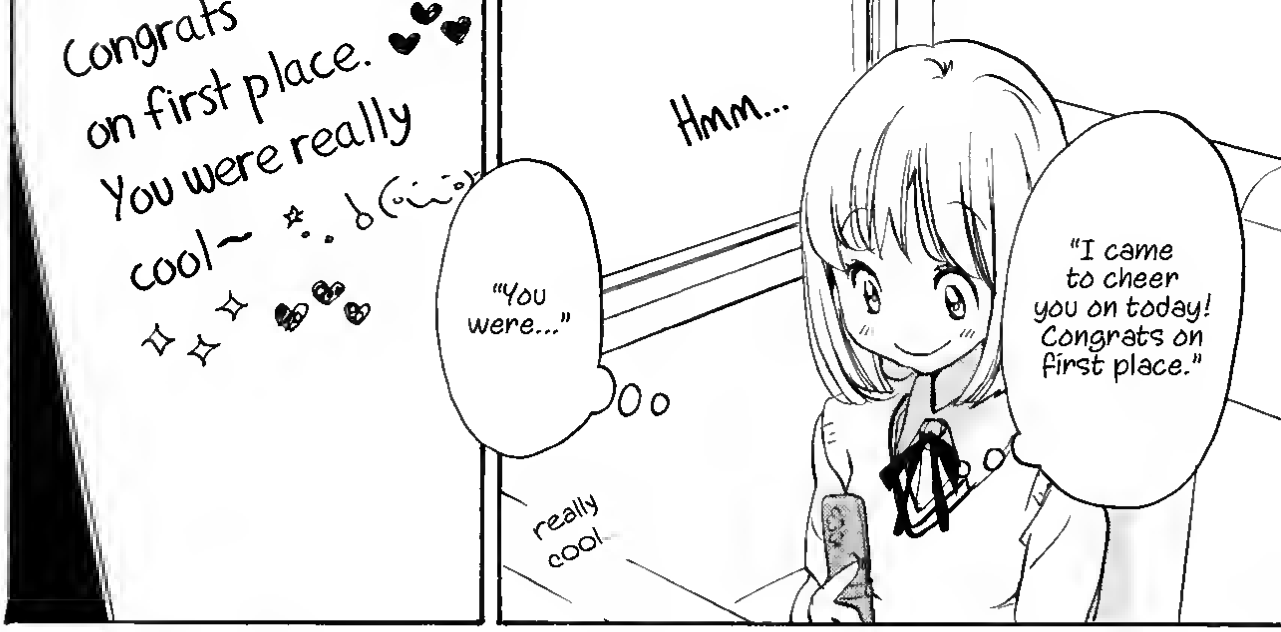
THANKS FOR COMING WITH ME TODAY, MIKA-WACCHI ♡
Eheh.
I COULDN'T HAVE COME WITHOUT YOU.
AND YOU KNOW...
EVERYBODY ELSE THAT'S STUCK AROUND IS LIKE SOME PERFECT PHYSICAL SPECIMEN...
I DON'T THINK I CAN HANDLE IT MUCH LONGER.
EVEN IF KASE-SAN WOULDN'T MIND,
THE OTHER GIRLS FROM THE TRACK AND FIELD CLUB PROBABLY WOULD.
I'm seriously scared of them.



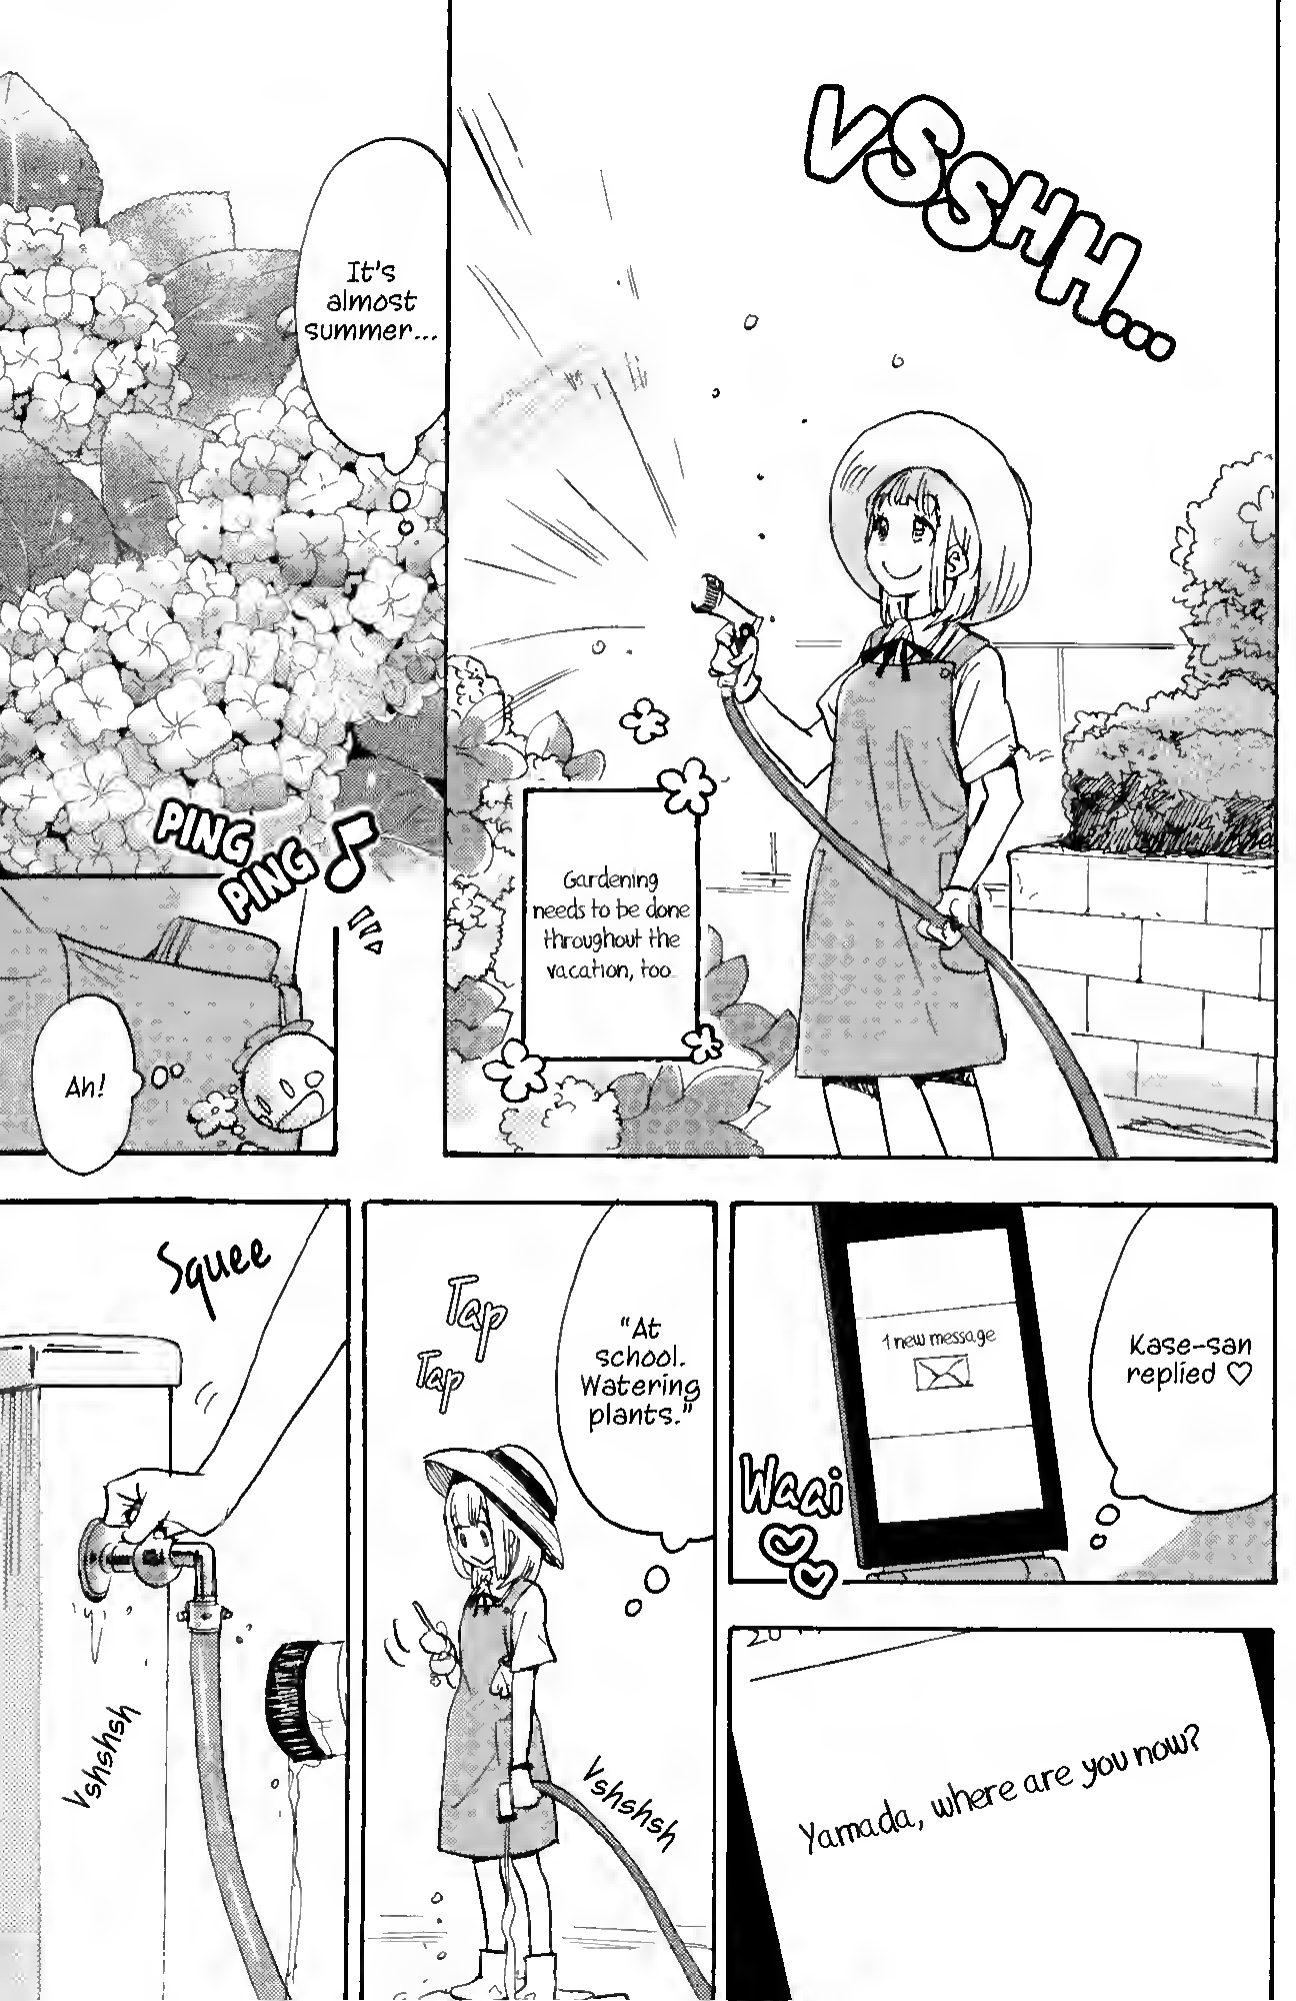
Vroom...
I like gardening and I'm the school's plant appointee.
Since this spring, Kase-san and I have been going out.

Kase-san is the ace of the track and field club. She's competing in her third inter-high tournament.
She's a girl, but she's a bit boyish.
A girl who's way cooler than boys.
Kase-san is the first person I've ever gone out with.
I'm over-whelmed and don't know what to do.
Not because we're both girls, but because I love her so much.
I took a lot of pictures of her in her uniform ♡



Congrats on first place. You were really cool~
"You were..."
really cool
Hmm...
"I came to cheer you on today! Congrats on first place."

I guess I'll drop by school to check on the flower beds...
but interfering in her group would be bad...
It's a pity...
Haah...
I made her a boxed lunch, but...
I didn't get an opportunity to give it to her.



It's almost summer...
PING PING
Ah!
VSSHH...
Gardening needs to be done throughout the vacation, too.

we shared our longest kiss yet.

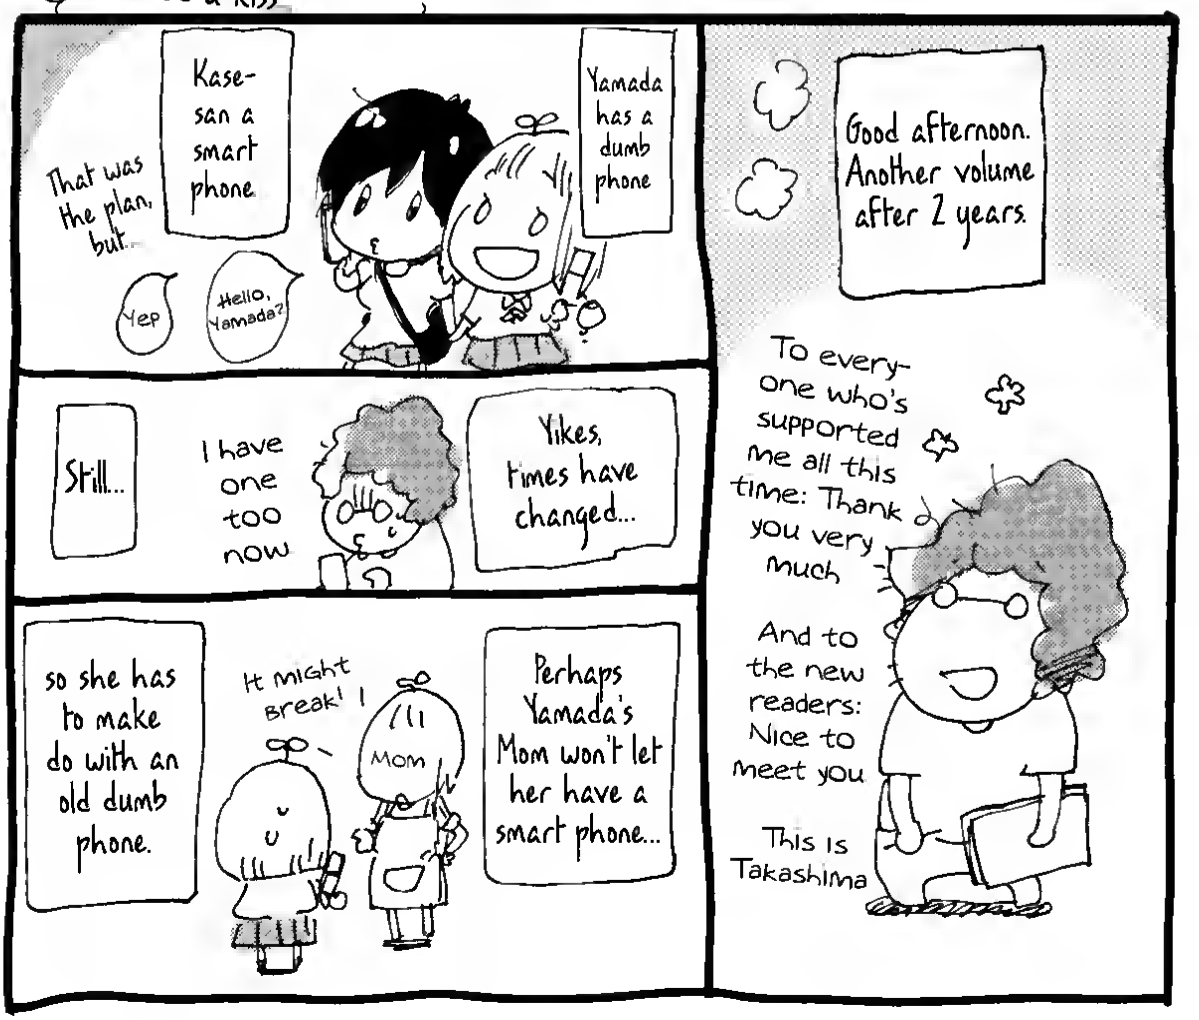
Kase-san series to be continued!

Extra. Afterword and Kase-san.



That was the plan, but...
Kase-san a smart phone
Yamada has a dumb phone
Yep
Hello, Yamada?
Still...
I have one too now
Yikes, times have changed...
so she has to make do with an old dumb phone.
It might break!
Mom
Perhaps Yamada's Mom won't let her have a smart phone...
Good afternoon. Another volume after 2 years.
To everyone who's supported me all this time: Thank you very much
And to the new readers: Nice to meet you
This is Takashima

Thinking about it
Hm-hmm, I gotta make some LINE stickers
Can I make a volume eye-catch made of LINE-type avatars?
Though, certainly, a day will come when someone reads this and goes "Yikes, LINE, that was long ago."
Courage means a heart that is not afraid of getting older!!!
I prefer LINE
She prefers e-mail over voice chat
Writing a long sentence, I...
And when she e-mails it's single words
Volume sleeve
No way...! Are girls breasts... really this... soft...!
Yes, girls are angels...
Thank you very much
Nice sleeve...
Well... I did write that line...
Manager
So you're a BOOBS person?
It serialized in Pure Yuri Anthology Hirari
But it's gone a little beyond Pure Yuri.
Probably
